

Avalon Dragon Boating Association PFD Agreement

I agree that in borrowing PFD # _____ from the Avalon Dragons, I will maintain it properly and return it, washed and in good condition, at the end of the paddling season (or earlier if I discontinue paddling).

I also agree that if the PFD is not returned within a month of the end of the paddling season, I will be considered to have purchased it and will be billed for the full replacement cost (in excess of \$200).

In accepting this PFD, I agree to be a regular paddler, paddling a minimum of once a week (except for a 2-3 week period for holidays or if there are no scheduled paddling practices).
